PATCH Program

1st August 2019

Dear Parents & Caregivers,

At Crawford Public School we value the role parents and caregivers play within supporting student's learning within and beyond the classroom.

We are proud to offer PaTCH, which stands for '**Parents as Teachers and Classroom Helpers**' course to increase parent and caregiver confidence in supporting children's learning at home and within the classroom.

PaTCH Parents receive weekly professional learning presented by Belinda Howlett and Jaimi-Lee Allen (Crawford PS Instructional Leaders) and covers the topics of:

- How children learn
- How children learn to read
- How children learn to write
- Supporting children with numbers etc

We will be running 5x1 hour sessions on Friday afternoons at 2pm and there will also be times spent in classrooms.

If you are interested in finding out more information, please fill in the form below and return to the front office and join us for the PaTCH information session on Friday 9th August at 2:15pm in the PLC. This information session will go for approximately 30 minutes.

Yours sincerely

B. Howlett and J.Allen
